**GLOBAL CHAMPIONS
FOR ADVANCING
CLEAN ENERGY:
INNOVATION &
MANUFACTURING**

Energy transition is becoming more pronounced with countries across the world moving towards net-zero goals. Energy transition, increasing use of renewable energy, circularity, sustainability, climate change, ESS, green hydrogen, and such issues now dominate discussions around all businesses. India holds the G20 Presidency for 2023. The Confederation of Indian Industry (CII) is the B20 (Business 20) secretariat and CII has themed its activities around creating Responsible, Accelerated, Innovative, Sustainable and Equitable Businesses.

CII is organising the **4th edition of its flagship initiative - International Conference & Exhibition on Clean Energy on 14 - 15 September 2023** at The Ashok, **New Delhi** (India). Event theme '**Global Champions for Advancing Clean Energy: Innovation & Manufacturing**' focuses on India offering opportunities as a market as well as looking for strategic tie-ups.
