

CII International Energy Conference and Exhibition 6 - 7 August | Hotel Le-Meridien, New Delhi

B2B MEETING REPORT

The CII International Energy Conference and Exhibition, scheduled for 6 -7 August 2026 in Hotel Le-Meridien, New Delhi, brought together a distinguished gathering of business leaders, CEOs/CXOs, economists, diplomats, think tanks, academics, entrepreneurs, innovators, business visitors, exhibitors, sponsors, organisers and senior government officials from India and around the world. The summit offered a premier platform for high-level interaction and business collaboration.

As the flagship event of the Confederation of Indian Industry (CII), the CII International Energy Conference and Exhibition has grown into a globally respected platform that fosters international partnerships and reinforces India's position as a strategic global collaborator. In an era of shifting global value chains and evolving trade corridors, India stands at a pivotal moment, poised to emerge as a trusted partner, a hub for high-quality manufacturing, and a leading voice for inclusive and sustainable global growth.

B2B Meeting

B2B meetings play a crucial role in fostering personal connections that are essential for building and sustaining long-term business partnerships. By engaging directly with the people behind corporate brands, companies can collaborate more effectively and operate as unified teams. These meetings also offer a dynamic platform to explore new products, services, and growth opportunities. Interacting with industry peers encourages innovation, broadens market reach, and strengthens existing alliances by enabling open dialogue around shared goals and challenges. Additionally, B2B interactions help businesses stay ahead of industry trends and market shifts, positioning them to capitalize on emerging opportunities.

One of the key highlights of the summit was the exclusive B2B Meeting Platform, enabling participants to network with a wide spectrum of industry stakeholders including CEOs/CXOs, startups, entrepreneurs, diplomats, business visitors, exhibitors, sponsors, organisers and government representatives.

To streamline these meetings, CII has launched an online portal: <https://iece.b2bmeeting.in> Access is restricted to registered participants of the summit.

Registered participants automatically received login credentials via email once their details are uploaded to the portal. To ensure smooth communication, please add noreply@iece.b2bmeeting.in to your contact list.

Benefits of B2B Meeting

- Connect with industry leaders, CEOs/CXOs, startups, entrepreneurs, diplomats, business visitors, exhibitors, sponsors, organisers and government officials.
- Gain fresh insights and ideas through direct interactions with participants.
- Foster strategic collaborations to drive business growth.
- Identify potential business partners and collaborators.
- Discover innovative products, services, and emerging technologies.
- Explore opportunities with prospective buyers and suppliers.
- Expand and strengthen your professional business network.
- Showcase your brand and generate high-quality business leads.

These meetings offered entrepreneurs and delegates a unique platform to explore business opportunities with representatives from other countries. It aimed to uncover new trade prospects while promoting products on both national and international stages. These interactions helped to open new avenues for business collaboration, paving the way for innovative ideas and ventures. It helped to find prospective business partners, build business network and to showcase their brand.

There were one-to-one discussions which received overwhelming response. Large number of delegates had fruitful meetings and the participants were happy with the outcomes of the B2B meetings.
